About the Walk to END EPILEPSY

The Walk to END EPILEPSY is a nationwide initiative and the largest awareness building and family-friendly community event to help those living with epilepsy overcome the myriad of challenges associated with seizures. The Epilepsy Foundation of Kentuckiana is proud to be an unwavering ally in the fight to END EPILEPSY. Proceeds raised go to support life-changing, essential services and programs that provide help and hope to the more than 173,000 children, adults, and veterans living with this neurological condition in our service territory. We invite you to be a sponsor of our Walk to END EPILEPSY to have a pivotal role in our work to improve and save lives impacted by seizures.
